about the internal fighting, names are not especially important. Board makeup could be important over the years to the people and I think we don't want to lose sight of the fact the thing we're trying to do is to get some education for some people who need it.

PRESIDENT: Senator Stahmer. We're now debating the advance of the bill.

SENATOR STAHMER: Mr. President, we have changed the amendment when we changed the name from Eastern to Metropolitan. I have worked out the name changes so that the amendment can be read correctly and I would like to offer that at this time if I might. Otherwise, we're advancing something that we've changed.

PRESIDENT: Send the amendment up. The bill is still open to amendment. Senator Goodrich, for what purpose do you rise?

SENATOR GOODRICH: Mr. President and members of the Body. Would Senator Simpson yield to a question, please?

PRESIDENT: Senator Simpson yield? He yields.

SENATOR GOODRICH: Senator Simpson, we've got conflicting amendments adopted to this bill. The bill cannot possibly work the way it is right now. Would you agree to hold this bill about three days and we'll get a group together for.....

(End of Belt #12)

(Start Belt #13)

We'll get a group together of three, four or five guys, whoever wants to participate because.....all right, Senator Lewis, I would appreciate if you would just refrain because you've got the bill in such a way right now we cannot possibly pass it. If you want to hold it three or four days, maybe we can work out an acceptable amendment to everybody. But, the way it is right now, this bill is dead.

PRESIDENT: All right, Senator Simpson, do you care to respond?

SENATOR SIMPSON: I think I got the correction out of all of it that you asked if I would hold the bill. I would give you a Carpenter answer and say that let's move it on to Select File. I will not oppose something that will correct the bill. In fact, I'll help you to correct the bill and any inequities that we have in it right now. But, I would oppose holding it again because I think it's important that we get this bill moving so that we as the Budget Committee especially can get funding for the bill.

PRESIDENT: Senator Skarda, well wait a minute, because we have an amendment coming up here and I don't think you can move a previous question when we have an amendment pending. We haven't even talked about it. Senator Stahmer.

SENATOR STAHMER: I agree to have this worked on E & R and I withdraw that request. Let's advance the bill.

PRESIDENT: All right. Now, the previous question has been called in by Senator Skarda. That's the next move. Does the Chair see five hands? Thank you. The question is, shall the debate now close on the bill. All those in favor, vote aye. Those opposed, vote no. This motion is to close debate on the bill. Thank you. Clerk will record.

CLERK: 25 ayes.
